HIGH THC 25%

Wedding Sunset is an indica-dominant hybrid originating from Wedding Cake and Sunset Sherbert. Grown indoors, its light green, uniform, and pointed flowers emit a gentle citrus aroma blended with piney and tropical fruit notes. Patients often associate this cultivar with physical relaxation.

ASPECT

Compact, uniform, pointed flowers showcasing a homogeneous green color punctuated by light yellow or pale orange pistils.

MAIN AROMAS

Gentle citrus aroma with a resinous pine background and hints of ripe tropical fruit. Subtle undertones of vanilla or spice are occasionally described as well.

MAIN EFFECTS

Patients commonly associate Wedding Sunset with feelings of happiness, bliss, and warmth. Following this initial sensation, calming effects ensue, which may lead to complete relaxation and easing tension in all muscles.
