

TAKODA ONE

EASTCANN
- CRAFT LP -

ECPMT

EastCann ECPMT is a high THC Indica dominant cross of Platinum OG Kush x Kush Mints.

ECPMT is a high THC 90/10 Indica dominant hybrid strain crossed from all-star parents Platinum OG Kush x Kush Mints. Bursting with earthy fuel flavors along with notes of minty doughy funk. ECPMT produces beautiful forest green popcorn nuggets with minty green undertones and thin orange hairs to complement its beautiful frosty trichomes.
