Green Karat's state-of-the-art cannabis cultivation facility is a place where technology, sustainability, and quality meet to create a benchmark in modern cannabis production. Our facility represents the culmination of years of research and innovation, designed to produce the highest quality cannabis in the most environmentally friendly way possible.

### DOMINANT TERPENES

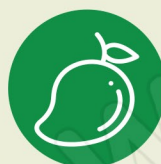

LIMONENE

CARYOPHYLLENE

FARNESENE

MYRCENE

HUMULENE

#### LINEAGE

First Class Funk × Grape Gasoline

#### AROMA/FLAVOUR

Modified Gas opens with fruity, creamy blueberry gas and citrus, unfolding into subtle herbal spice and earthy warmth—a profile that's bold, refined, and expressive.

#### EFFECTS & THERAPEUTIC USE

Patients report an initial activating effect followed by physical relaxation and mood clarity.

Green Karat MG may assist in managing symptoms of depression, anxiety, and chronic pain.

It may also aid with sleep disorders and appetite loss.

Green Karat products are distributed in the United Kingdom by Cantourage UK LTD.
