

hexa05 cannabis flower

HIGH THC 25%

Mac Fem is a hybrid strain resulting from crossing several genetics such as Alien Cookies, Starfighter, or Columbian. It features small, rounded emerald-green nugs with plenty of thin orange pistils and chunky white trichomes. The aroma is characterized by a sour lemon diesel overtone accentuated by spicy chocolate and floral herbs.

ASPECT

Small and rounded emerald-green nugs with lots of thin orange pistils and chunky white trichomes.
