

hexa01 cannabis flower

HIGH THC 26%

Mango Cross, a Sativa-dominant strain, is a cross between San Fernando Valley OG and Tahoe OG.

It features average-sized buds and showcases a sweet mango aroma with woody/piney undertones. With its smooth taste and purported calming effect, this cultivar may be ideal for relaxation.

ASPECT

The dense, average sized buds with dark green leaves are covered with orange pistils and shiny trichomes.

MAIN AROMAS

Dominant, sweet mango aroma with hints of pine.

MAIN EFFECTS

Patients report experiencing happiness, relaxation, and increased appetite when using this strain. It may help alleviate symptoms of anxiety, inflammation, and headaches. With its smooth taste and alleged calming effects this cultivar may be ideal for relaxation without prolonged focus impairment.
