Aroma/Flavour

Yoda Cap is Funky earth and pine with sour citrus and creamy backend. Hints of spice and gas on the exhale

POSSIBLE EFFECTS & APPLICATION:

Our YodaCap offers patients reliable, full-body relaxation without overwhelming sedation. This indica-dominant hybrid is well-suited for managing symptoms of chronic pain, anxiety, muscle tension, and insomnia. Patients often report a calming effect that eases physical discomfort while maintaining mental clarity, making it a suitable option for evening use when relief is needed but daily functioning is still important
