

INTERSTELLER

CRAFT CANNABIS

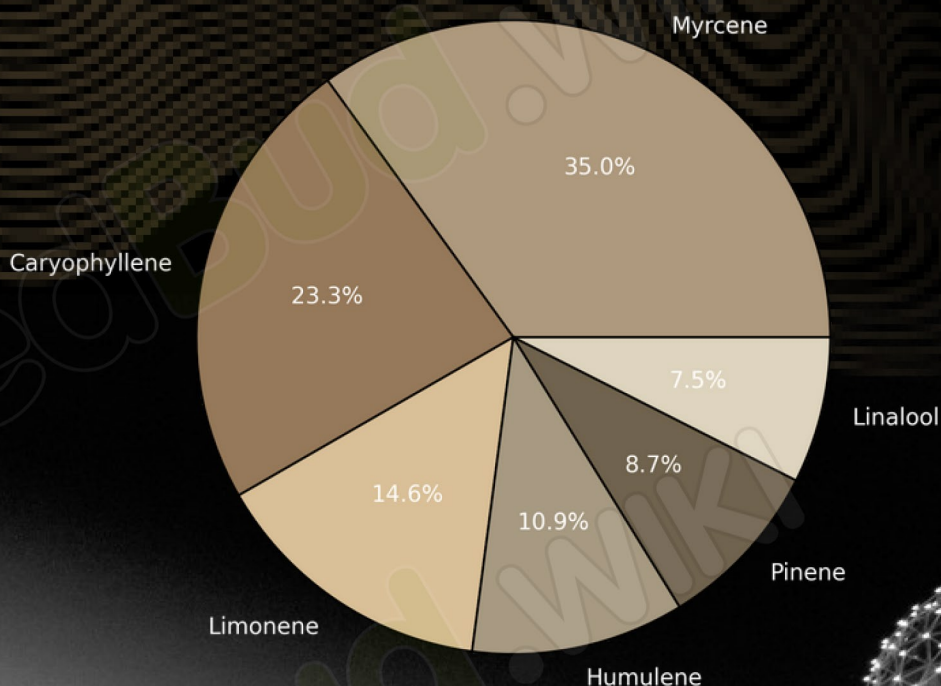

Introducing INTERSTELLER, an extraordinary hybrid cannabis strain. This rare blend of Falcon 9 and Grease Monkey genetics offers a potent and well-balanced high along with exotic skunky and spicy flavor profiles. With a THC potency of 25-30% and never being irradiated, INTERSTELLER is the perfect choice for cannabis connoisseurs seeking a top-quality experience. The dark green buds, with an accent of purple undertones, add to its visually captivating composition.
