Country of Origin: Spain
 Irradiated or Remediated: Yes
 Exclusive: Yes

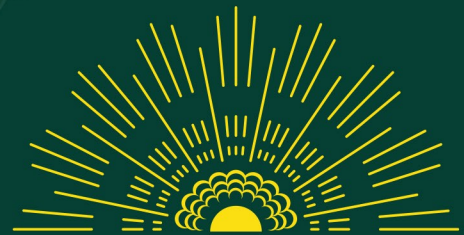

Banjo is a 2nd place finisher at the Emerald Cup and was one of Leafly's "Top 5 Strains" of 2020. This sativa dominant flower has a delightful aroma of spices and incense with hints of sandalwood, giving it a spicy & tangy combination. The flowers have a golden hue and a fluffy appearance with a thick coating of tiny, amber crystal trichomes.

Product Prescription Name	THC	CBD	10g
WELLFORD LUMA THC 25:CBD 01:BJO	25%	< 1 %
